A large, bold, black calligraphic character '当' (dang) is centered on the page. The character is written in a traditional style with thick, expressive strokes. It features a vertical stem on the right side, a horizontal bar across the middle, and a curved stroke on the left that loops back towards the center. There are two small, curved strokes at the top, one on the left and one on the right, which appear to be part of the character's structure or decorative elements.

A large, bold, black Japanese character '司' (shī) is centered on the page. The character is composed of a square-shaped component on the left and a long, vertical, curved stroke on the right.

A large, bold black Chinese character '实' (shí) is centered on the page. The character is composed of several strokes, each with a small black arrow indicating the direction of the stroke. The top part of the character is a horizontal stroke with a downward hook on the right. Below this is a vertical stroke that curves to the left at the bottom. A horizontal stroke crosses the vertical one. There are also several smaller, curved strokes that complete the character's structure.
